tzNIC TO HOST DNS FORUM 2017 IN DAR

The Domain Name System (DNS) Forum 2017 will be hosted by dot tz Registry (tzNIC) in Dar es Salaam from 26th to 28th July 2017 at Serena hotel .

What is the DNS Forum?

The Africa Domain Name System Forum is an annual open event for stakeholders in the Domain Name Industry in Africa organized by Africa Top Level Domains Organization (AfTLD), the Internet Corporation for Assigned Names and Numbers (ICANN) and the Internet Society (ISOC). The objective of the three-day event is to help the African Domain Name Industry in Africa to grow at a competitive rate and ensure that the continent is at par with the rest of the world.

Who should attend?

Registries, registrars, resellers, registrants, DNS experts, Government representatives as well as entrepreneurs interested in investing in the African Domain Name space.

Why should you attend?

More than 200 participants representing Government, Private sector and the technical community drawn from all over Africa as well as globally will take part in this multi stakeholder Forum where they will be leading interesting discussions highlighting opportunities in the African Domain Name industry. This will be the fifth African DNS Forum following events in Durban, South Africa (2013), Abuja, Nigeria (2014) and Nairobi, Kenya (2015) and Marrakech, Morocco (2016).
